

FOLLOWING THE LEADERS

ONLINE PUBLIC SERVICES – SPRING SERIES 2026

In this Spring 2026 Service Series, we would like to look at examples from the lives of some well-known Bible people and see what practical applications we may be able to observe from their examples that are applicable for us today:

Following The Leaders!

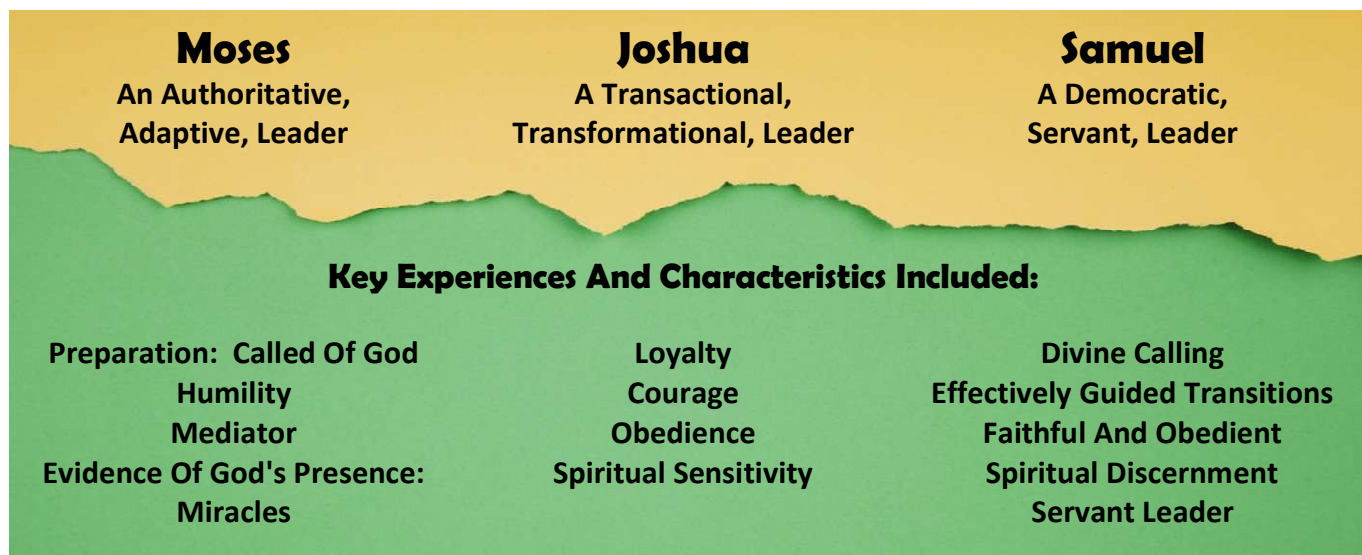

Whilst these people lived in completely different social world environments than we do today, there are many traits of everyday living which they learned to manage, which are just as critical for us today in seeking to grow closer to God, and to live a dedicated and holy life towards Him. The content of their lives may have been different, but the process of growing closer to God, remains the same.

We will explore some of the events (Bible Stories) that these leaders experienced, and see how those situations required specific attributes needed to fulfil their tasks, and which would be necessary for us to grow closer to God today as we await the return of Jesus Christ to this earth, and seek that we may be those people of whom it is said:

***"A people prepared for the Lord."
Luke 1:17***

In this Series, we are intending to look at the applications to be learnt by looking at specific Bible Stories more closely and personally, rather than at a generic or historical level, which has been the case in some earlier Series.

The Bible Characters whose experiences we will study throughout this Series, are:

Throughout this Series, we will see how facing challenging events in their lives, gave rise to the development of Godly attributes that are still important for us today.
